

Cookies policy

A cookie is a small piece of data that stores useful information in the hard disk of your computer. Each time you visit this Website, our server will recognize the cookie and give us information about your last visit.

The following cookies are used in this Website:

OWN COOKIES

These cookies are strictly necessary to provide specific services expressly requested by the user. If you disable these cookies, you will not be able to receive our contents and services properly.

COOKIES FROM THIRD PARTIES

These are the cookies that are installed by a website that you are not visiting at the moment by the action of a third party. For example, the advertiser of a banner from the website you are visiting, or a “Like” button of a social network in one of the websites you are visiting and that this social network will be able to track.

- Analytic cookies: these are the cookies which compile statistics data of the activity in a Website (Google Analytics).
- Social Cookies: are necessary for the external social networks (Facebook, Google+, and Twitter). Their function is to control the interaction with the social widgets in the webpage. This kind of cookies is used in the following domains: “facebook.com”, “google.com” and “twitter.com”.
- Cookies from members: these are the cookies that monitor the visits coming from other websites with which we have an affiliate contract (Trivago).
